Pergola

Our matte black, aluminum Pergola provides a modern twist on what has traditionally been a wood product — offering versatile styling, ease of assembly and minimal maintenance. Its 8' x 8' size is ideal for creating a unique outdoor living space in a smaller setting — allowing you to do more outdoors — like entertaining, dining and even movie watching. The Pergola is compatible with any of our 2' x 4' Decorative Screen Panels* (available in several patterns and colors) that can create a custom roof and side walls** to provide increased shade and/or privacy.

Features and Benefits

- Matte black aluminum 3½" posts
- Durable premium powder coat requires minimal maintenance
- Pre-welded plates and pre-routed rails for easy installation
- Accommodates eight decorative screen panels as a roof
- Customizable design using any decorative screen panel
- Limited Lifetime Warranty
